Marketing of electronic Mosquito repellents

2160. SHRI G. SWAMINATHAN: Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) whether Government are aware that electronic Mosquito (repellent mats are being widely marketed in the country; and

(b) if so, whether these have been tested by Government to avoid health hazard to the public who use the same every night?

THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND FAMILY WELFARE (KUMARI SAROJ KHAPARDE): (a) and (b) Yes. Various Mosquito repellent devices including electronic mosquito repellent mats are being marketed in the country. Maiaria Research Centre of Indian Council of Medical Research has carried out evauation of some of the Mosquito repellents available in the market. Results revealed that protection against mosquito bites by the use of electronic mosquito repellents ranges between 60 to 76 9 per cent with culex and Anepheles species. The dagree of protection varied from device to device and species to species.

All the Insecticides which are to be imported, manufactured and used in the country are to be compulsorily registered under the Insecticides Act, 1968 by a Committee known as Registration Committee, constituted under Section 5 of the said Act.

The Mosquito Repellent Mats which are found to be sate to human beings are allowed to be registered by this Conunittee.
